Pacific National Intermodal EA Update

Dear members,

This week your EA bargaining representatives met with Pacific National management in Brisbane.

Your representatives had prior to the meeting provided the company a detailed proposal that encompassed additional rostering stability including barracks workings and associated payments. Clauses were also delivered by your representatives relating to transition to retirement and job-sharing arrangements.

PN spent the time this week going through and understanding our proposal whilst also completing costings.

We are scheduled to meet again on the 3rd and 4th of May whereby the company have committed to provide a counter proposal to what we have provided.

I will be sure to update members as bargaining continues.

If you have any questions, please contact your state office on 3844 9163, email statesecretary@afule.org.au or contact your local AFULE representative.

In Solidarity,

Mick McKitrick,
State Secretary

Traincrew representing Traincrew
