Queensland Rail and QR National Late Easter Wage Payments

Queensland Rail and QR national are paying Easter wages 2 days late. Our union has had vigorous discussions requesting that the decision be reviewed. However we have been informed that the decision to make the late payments is final.

That decision does not breach any clauses of the agreement.

Our union of employees advises that if you have financial payments that may incur a fine, and you cannot organise with your financial institution to avoid that fine, you should inform your supervisor in writing as soon as possible.

If you have any serious difficulties arising from Queensland Rail's or QRN's decision to make late payments then please contact your State Office on 3257 1151 as soon as possible so we can help you to avoid any serious disadvantage.

Yours fraternally
