Dear Members

FAID SCORES MUST BE PROVIDED TO TRAINCREW

Dear Traincrew

The AFULE attended the Joint Safety Working Party with QRN today 4 August 2011 and raised the issue of Drivers being denied access to their FAID score.

The AFULE was able to get a commitment from QRN Management that FAID scores **MUST** be provided on request from the driver.

Please contact our office if SDS or Roster refuses to provide your score.

The score that you are given should reflect what your score will be at the end of your shift on the day you request it. Please check with SDS or Roster that this is the case when you request it.

If you have any questions about the above call the AFULE State Office on **3257 1151**.

Yours fraternally
