Dear Traincrew

ARG BARGAINING UPDATE 1

Negotiations for The New AER North Queensland Traincrew Agreement commenced on 14 September 2010. Our Union of Employees put forward our log of claims for discussions and AER have presented theirs.

Our union of employees has advised AER that we are committed to helping its business meet its commercial needs and increase its viability as a competitor in our industry.

We are clear, however, that this must be done by putting your workplace health and safety in the forefront of all negotiations.

Further, this agreement must ensure our members the right to fair and just treatment at work and a working environment that values dignity and respect for all.

Negotiations will commence again Next Monday 20 September. As negotiations continue we will provide you with updates.

If you have any queries in relation to this matter, please don't hesitate to contact the State Office on (07) 3257 1151 or statesecretary@afule.org.au

Yours fraternally
