The negotiations for a new AER Enterprise Agreement have concluded and an agreement in principle has been reached to take the draft to the members for voting.

It will now be distributed for your consideration prior to your being asked to vote on it. The Draft will be available on our website from 7 January 2011

ARG are also distributing copies of the draft agreement to its employees from 7 January. Copies of the NES and other policies mentioned within the agreement will also be made available by ARG.

From 17 January a joint AFULE/RTBU/AER Road show will commence throughout the corridor to supply more information about the agreement.

When we have details of the meetings to discuss the agreement we will ensure it is posted on our website and in depot notice cases.
