POST IN NOTICE CASE

CIRCULAR: 02 -11

Ref: Arrangements for Flood Conditions

7 January 2010

Dear Traincrew

QR National Coal and Freight Arrangements for Flood Affected Depots

QR National has advised our union of employees of the following arrangements and processes for flood affected areas:

1. Members who are affected by flooding and prevented from attending work due to the weather conditions must notify their managers and will be able to access 3 days natural disaster leave.
2. Any member who is able to get to work or to another area identified by QR National should report for duty. For example in Rockhampton there is a QR National HR representative at the relief centre. Your manager will inform you of the other identified area.
3. Any member that cannot attend work or another identified area will be granted annual leave or long service upon request.

If you wish to discuss the above please call your union office on 3257 1151.

Yours fraternally
