### **QR National Coal Clause 70 Splitting TDO Crews Dispute**

---

The AFULE attended a conciliation conference to try and resolve the dispute that is currently on foot over splitting TDO Crews.

The Commission took the view that Traincrew driving cars did not constitute them being in a TDO or DOO configuration under the definition of TDO and DOO in the Traincrew Agreement. As such the Commission's view was that clause 98.10 onwards "*Driving Motor Vehicles*" overruled clause 70 "*Splitting of TDO crews*".

The parties could not resolve the issue. The Commission is due to be advised of the Union's desired next steps on Thursday 17 February 2011.

Further information will be circularised when at hand.

This is for your information.

Yours fraternally
