Aurizon Bulk Enterprise Agreement Log of Claims Survey

Dear members,

This August and September, the AFULE has held and is continuing to hold sub-branch meetings across the state to discuss all issues Traincrew including EA Log of Claims for the upcoming Aurizon Bulk Bargaining.

With your current EA expiring in January 2023, we anticipate the business will soon be releasing the Notice of Employee Representational Rights – which is the indicator of the impending commencement of EA bargaining.

To guide your AFULE negotiators, we have developed a survey for members to complete to ascertain the key priorities our members want us to concentrate on whilst at the bargaining table.

There is also the ability to raise claim items within the survey and/ or via return email.

You can complete the survey by clicking [here](#).

I thank you for taking the time to participate in the survey and we look forward to pressing your claims at the bargaining table in the near future.

Please contact your local AFULE rep, Divisional Councillor or State Office on 3844 9163 or statesecretary@afule.org.au if you would like further information.

In Solidarity,

Mick McKitrick,
State Secretary
