Aurizon Enterprise Agreement

Dear Traincrew,

The Aurizon 2015 Enterprise Agreement is due to expire in September this year. Late last week Aurizon contacted your state office to inform us of their intention to commence bargaining in June.

The AFULE has been working on the upcoming EA for in excess of 18 months and will soon be contacting all members for input through depot meetings and emailed surveys. If you have not been receiving emails from your state office, please dial 3844 9163 and have your contact details updated.

I'm sure we all remember the last time we were negotiating an Aurizon traincrew agreement. We are expecting another hard fought round or bargaining this time around.

I encourage you all to attend branch meetings and be as involved as possible in the formation of your agreement. United we bargain, divided we beg.

Please contact us either by email at statesecretary@afule.org.au or telephone on **3844 9163** if you have any queries on the upcoming EA negotiations.

Yours fraternally

Greg Smith
State Secretary
