Circular: 20/17

Ref: Consultation Ebenezer

28/02/2017

Dear members

Proposed Introduction of DOO to Ebenezer

The AFULE has some concerns about the consultation process regarding the proposed introduction of Driver Only Operations to Ebenezer mine. We have requested a meeting with Aurizon management and have been advised Rachel Williams, acting ROM will facilitate this meeting in the coming days.

We will keep you updated.

If you require any further information, please contact 3257 1151 or statesecretary@afule.org.au

Yours fraternally

Mel Brewer
