## Initial AFULE Stirrat Questions

Dear members,

You would be aware that the company have commenced consultation on a proposal to establish a standalone depot at Stirrat.

The AFULE have a number of questions that we have put to the company that we are seeking an urgent response to. We want to ensure our members have as much information as possible at their disposal before making a commitment on their futures.

Today I wrote to Callemondah ROM, Danielle Ayscough, you can find this correspondence [here](#).

I will share with you all the responses to the questions upon receiving a reply from the company. In the event we do not receive a speedy response, the AFULE will be seeking an extension to the consultation period.

If you have any questions that you would like us to raise on your behalf or you have concerns that you wish to bring to our attention, please speak to your local reps or email [statesecretary@afule.org.au](mailto:statesecretary@afule.org.au)

In Solidarity,

Mick McKitrick,  
State Secretary
